Newsletter Publication Opportunities Available through ASFPM

ASFPM accepts and welcomes articles from our members and partners. **"The Insider"** and **"News&Views"** have a style format, and if necessary, we reserve the right to edit submitted articles for space, grammar, punctuation, spelling, potential libel and clarity. If we make substantive changes, we will email the article back to you for your approval before using.

"News&Views," published in February, April, June, August, October and December, is intended for a broad audience, directly received by more than 24,000 recipients, and is accessible to the public. "News&Views" features partner organization highlights, interviews, various projects in the works and broader news issues. To reference previous issues, please see the [News&Views webpage](#).

"The Insider," published in January, March, May, July, September and November, is used to relay member news, foster increased engagement and networking, and share specific floodplain "how-to" tips and resources. "The Insider" is sent to more than 7,000 recipients, and content is strictly members-only accessible.

Submitting Material:

-Please submit your article or article proposal to editor@floods.org

-The subject line of the email should indicate the intended newsletter and subject of article. For example: News & Views article: stricter building standards

Please include a description of the art, along with the full name of who created the art. If the art is not yours originally, you must include expressed, written consent granting ASFPM permission to use the art in our publications. If you have any questions, please contact Michele Mihalovich at editor@floods.org. All photos must include the following information in the photo caption: photographer's name, date, location, persons/subject pictured.
